Ipé and Brazilian Redwood

Oregon-Canadian Forest Products, “warrantor”, warrants that our highly durable Clear Choice Decking™ products, limited to Ipe (Tabebuia spp.) and Brazilian Redwood (Manilkara bidentata), are naturally durable woods which will not suffer structural damage due to rot, decay or termites for a period of at least 25 years from the date of consumer purchase from an authorized Oregon-Canadian dealer.

These products may show significant amounts of checking and should be treated to inhibit checking. Decking must be installed in a residential structure that meets all applicable construction and safety codes.
